NORFOLK COUNTY FAIR AND HORSE SHOW HIRING 50 WORKERS

The Norfolk County Fair and Horse Show is looking for over 50 men and women to work during the set-up, operation and teardown of Canada's largest County Fair which runs from October 5 –11, 2010.

“Building Supervisors, Track Support Staff, Facility Maintenance Crews, Equipment Operators and General Labourers are just a few of the jobs available” said Facilities Manager George Araujo. “We are looking for people with skills like carpentry, customer service, operations maintenance and crowd control.”

Most applicants need to be available from September 16 until October 13 and enjoy working around lots of people and animals. Some short term and rotating shifts with varied start times are also available. Previous applicants are welcome but there are always some new positions available for eager people looking to work at the Fair.

“It's our most exciting Fair ever and we are expecting record crowds to come and experience our new shows and attractions. We are committed to their safety and ensuring patrons have a great day at the fair!” added Araujo

Applications are available at the Fair Office located at 172 South Drive or fax your resume to 519-426-7286. For more information call Facilities Manager George Araujo at 519-426-7280 ext 225. Or just go to our web site at www.norfolkcountyfair.com. Resumes are also accepted by emailing george@norfolkcountyfair.com
