

7th Annual
March

Saturday & Sunday, March 14th & 15th
Norfolk County Fairgrounds – In the Aud, 172 South Dr., Simcoe, ON

The Norfolk County Fair & Horse Show is pleased to announce our 7th Annual Wildlife Festival & Adventure Show on March 14th & 15th, 2009.

The excitement of this annual festival is clearly catching. Attendance has been on the rise since our first event in 2003 and as the Exhibits Coordinator it has been a pleasure bringing such a worthwhile event to Norfolk County. The Wildlife Festival & Adventure Show has been designed to provide an educational, entertaining environment for people of all ages to experience.

We are very excited to introduce the *NEW* entertainers that will appear at this year's festival. Primordial Percussion will be putting on a drumming circle, which will get the audience involved, Jungle Cat World will bring their wonderful large cats and the Canadian Canine College will grab your attention with their amazing dog agility, rally obedience and tricks. But you cannot forget the Festival's Favourites, which includes the Reptile Show and the Birds of Prey demonstration.

This event offers outdoor enthusiasts a chance to see nature at its best. Families can participate in fun and educational activities and browse through a variety of exhibits including a fossil dig where children can dig for a fossil. Check out a display with Scienstational Sssnakes, a lesson on taxidermy and adults can get educated on green cleaners and products. There will be a bug and butterfly display and why not leave with something to remember the festival by, like a Henna Tattoo? Take the opportunity to enjoy the artistry of local wildlife artists displayed by Norfolk ArtsCo.

A number of organizations and businesses will be exhibiting at the show, including Long Point Region Conservation Authority, Bird Studies Canada, Beacon of Light Wildlife Centre, North Shore Erie Amateur Astronomers, VanGo Adventure Farms, Wagon Wheel Produce, Early Years Centre, Niagara District Trappers Association, Royal Oak Feeds, The Guides & Scouts, 4-H Club and many more.

If you wish to become part of this fabulous adventure and participate as an exhibitor, please complete the Festival's Exhibitor Application and return it to our office as soon as possible as space is limited. The application is located at www.norfolkcountyfair.com under Yearly Events, Wildlife Festival. Should you have questions, or require further information, please contact Jessica Vanderschee, Exhibits Coordinator at (519) 426-7280 ext 226.

"Where the Outdoors come Indoors for 2 Days!"
